- The following statements should be included in all event schedules:

LEGAL LIABILITY:

- Save for the death or personal injury caused by the negligence of the organisers, or anyone for whom they are in law responsible, neither the organisers of this event or The Pony Club nor any agent, employee or representative of these bodies, nor the landlord or his tenant, accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, cars, their contents and accessories, or any other person or property whatsoever. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organisers and all the officials and stewards.

REASONABLE ADJUSTMENT:

- Application is via the member's Personal Profile. This Form must be submitted, accompanied by the relevant documents from a healthcare professional, to the relevant person (Test Organiser, Competition Secretary, Rally Organiser) at least two weeks before the activity is due to take place. If it is submitted after this date, there are no guarantees that the adjustment will be applied. This timeframe ensures that there is sufficient time for consideration of the application and that any adjustment that is agreed upon is fair and in place. A member's Personal Profile is the way that information about a member's needs are collected. These should be reviewed on a yearly basis or in the event of a significant change to the member's condition. If the Reasonable Adjustment involves a change to the running of a competition (for example, specialist tack or a caller), an application must be made to the relevant Sport Chairman for review. The Adjustment will be considered and, if approved, will be relevant to a specific level of competition. If the member wishes to change competition level, an application to amend the Reasonable Adjustment must be submitted.
